

Trilateral Cooperation in TVET Indonesia, Myanmar and Germany

**“Sharing Experiences on student and Teacher
Exchange Program: Current Practices and
Challenges”**

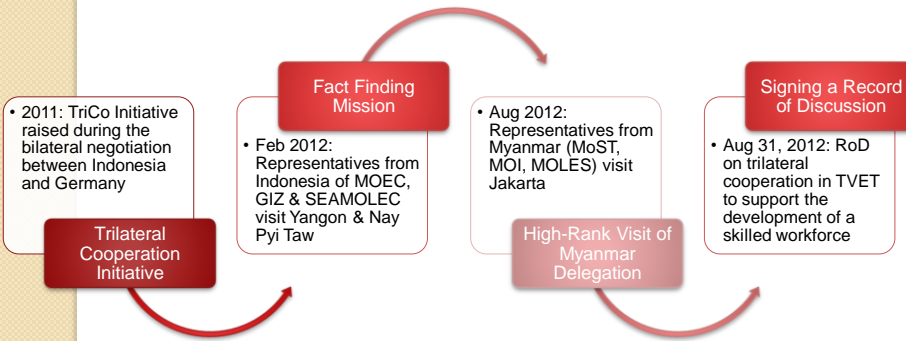

**9 – 10 October 2015
Siem Reap, Cambodia**

Background & Base: Bilateral Cooperation

2015-10-21

Trilateral Cooperation in TVET– How it started

2015-10-21

Record of Discussion

Partners

MM: MOST, MOI, MOLES

ID: MOEC, (SEAMOLEC)

DE: BMZ, German Embassy, GIZ

Signed by

MM: Union Minister of MoST:
Dr. Ko Ko Oo

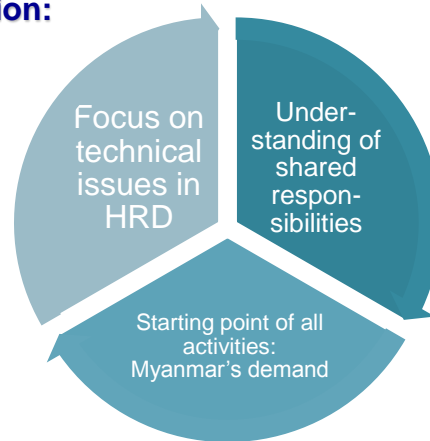

ID: Vice Minister MOEC:
Prof. Musliar Kasim

DE: Charge d'affairs ad interim, German Embassy for Indonesia:
Ms. Heidrun Tempel

2015-10-21

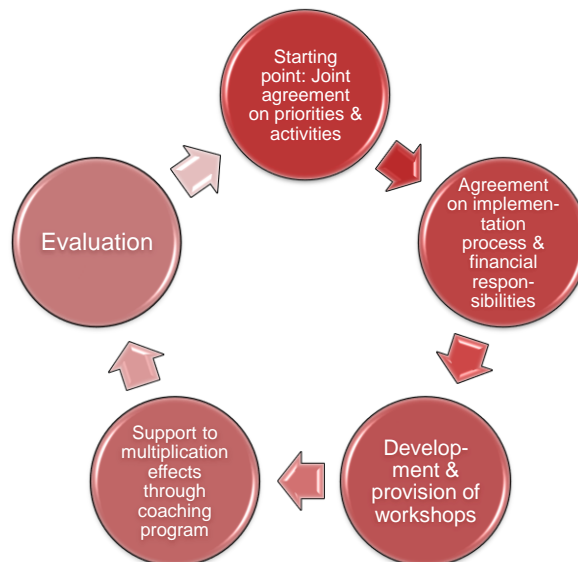

Objective of the Trilateral Cooperation: Improving human resources in TVET

Core principles of the trilateral cooperation:

2015-10-21

Process cycle

2015-10-21

Lessons Learned

Trilateral cooperation is a true partnership: Equal rights & responsibilities

Focus on technical issues is a smart choice

Three way road- benefits are for all involved

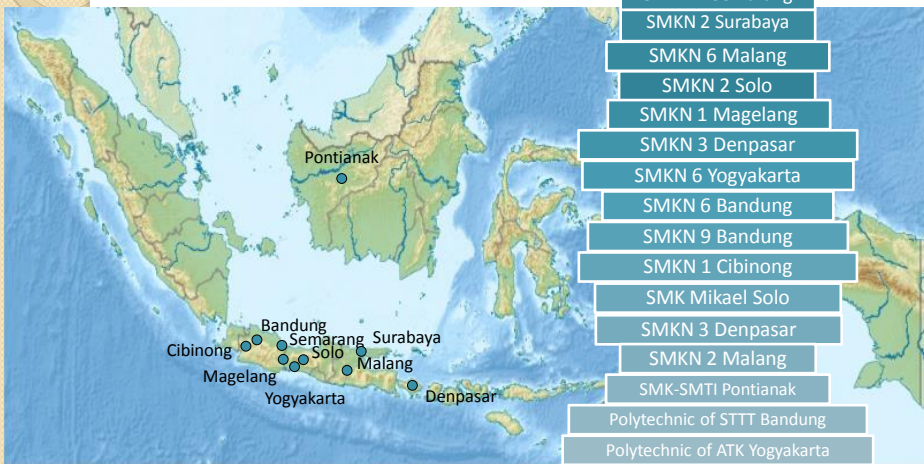

Consider time: Intensive administrative and managerial process

Main challenge: Matching demand and supply

Simple, but important: Language skills (English) are key, for participants & instructors

IT Infrastructure and connectivity would boost the speed and effectivity of this cooperation
