

GROUP 3 CURRICULA IN 21ST CENTURY

Moderated by:
Mr. Hj. Sharifuddin
SEAMEO VOCTECH Director

LIST OF STRATEGIES ON IMPROVING QUALITY OF TVET INSTITUTIONS

AND PERSONNEL
THROUGH PARTNERSHIP AND
MOBILITY

Result of Discussion (Group A):

1. Vocational should collaborate with Basic Education starting from elder age.
2. Myanmar offers TOT for TVET teachers to improve competency
3. TOT is considered very important
4. Changing paradigm from teacher-centered to student-centered
5. Communication on where to get resources/learning materials
6. Use platform of internationalization and harmonization to share 21st century skills knowledge and experience

Results of Discussion (Group B):

- Personality development for both teachers and students with the strong emphasise in code of conduct
- Values education to be integrated in their lifelong skills to help them prepare for global exposure
- Promotion and recruitment procedures for teachers and supervisors are important and qualifying teachers tasked to transfer skills

Result of Discussion (Group C):

- Economic problems contributes to drop outs
- Industry in the region is limited
- Exposure to extra-curricular activities
- Discipline problem among students, lack of self-confidence
- Values education
