

SEA-TVET Workshop

Group Discussion of DAY 2

Objectives of Day 2

1. To determine the possible partnership activities
2. To develop the preliminary commitment/agreement which can be taken away for further co-implementation among the agreed parties

Steps

1. Sit in group and **find your potential partners** according to the agreed activities
 - Option 1: Partnership as the whole group
 - Option 2: Arranging in sub-groups according to study area or certification level (2-4 partners)
2. Discuss on the potential joint activities that the parties can do together and **select the potential 1-2 activities** that you can implement under your situation in near future
3. Complete the **“ACTION PLAN” template** together with your partners

Steps

1. Develop the **“FRAMEWORK OF COOPERATION (FOC)”** as the initial agreement (**Optional**) and bring back to your country (Some countries need FOC for funding)
2. **Sign the “FOC”** at the end of the session
3. Each group presents **the agreed activities** at the end of the session.
