5-6 April 2018, Surabaya, Indonesia

## The Guidelines for Selecting **Industry Partners** (New by SEAMEO)

- 1) Closed connection with institutions
- 2) Can accept internship for 1-3 months
- 3) Have staff to supervise students in English
- 4) National or international recognition
- 5) Tasks should be more Project-based Assignment and matched to study areas and interest of students (Depend on study areas)
- 6) Students can not change the company/industry after the agreement at the online interview.
