Successful Collaboration 2017-2018 after workshop in 2017

• Over 280 students exchange and scholarships

Successful Collaboration 2017-2018 after workshop in 2017

• Development of 2 Dual Programmes
• Establishment of **ASEAN-China Teacher and Development Centre** between SEAMEO VOCTECH, KOPERTIP (Indonesia), Wuxi Institute of Technology
Challenges for Implementing Agreements in 2017

• Communication/Coordination
• Financial Issues
• Language and Cultural Barrier
• Visa Issues
• Different Academic Calendar
• Change of Director, Coordinator
• Change of Institutional Policy

Suggestions from 2017 institutions for Sustainable Partnership

• Assign focal persons for long-term coordination
• Financial support can be shared between governments and institutions.
• Basic language and cultural preparation is needed.
• In-depth communication and coordination is necessary.
• Both should design practical collaboration and exchange programme
• Publication of good models/best practices
• At least 2 times a year for SEAMEO-China workshops
