THE TAU INTERNATIONALIZATION PROGRAM
A Strategy Framework

11th China-ASEAN Cooperation Week
2nd Partnership Workshop SEAMEO-China TVET Cultural Twinning Program
July 28-29, 2018
Guiyang, PR China

SHARING SUCCESSFUL IMPLEMENTATION OF SUCCESSFUL COOPERATION BETWEEN SOUTHEAST ASIAN AND CHINESE INSTITUTIONS

DR. CHRISTINE N. FERRER
Director, External Linkages and International Affairs
TAU INTERNATIONALIZATION STRATEGY FRAMEWORK

International

United Nations Development Agenda for Sustainable Development
Regional and Global Mandate on Higher Education for ASEAN
ASEAN-EC Development and Harmonization of Higher Education and TVET

National

Philippine Development Plan (2017-2022)
CHED's Thrust on Internationalization (CMO No. 55, s. 2016)
ICHs (Top 500 Agricultural Universities in Asia)

Institutional

“Internationalization and Linkaging Framework

Strategic Internationalization Program

D1. Internationalization Engagement
D2. Learning and Discovery
D3. Innovation, Collaboration and Resource Generation

A higher education system that is locally responsive and globally competitive and serves as a force for lifelong learning, innovation, as well as social and cultural transformation.”

CHED’s INTERNATIONALIZATION GOALS

Goal 1 • Well-developed Global Internationalization and Linkaging Framework

Goal 2 • Strong Crossborder Mobility Programs and Internationalization of Higher Education

Goal 3 • Improved Institutional Capacity thru Expansion of Collaborations and Consortia

Goal 4 • Implementation of CMO No. 55, s. 2016 (Internationalization of Philippine Higher Education)

Goal 5 • Recognition of Philippine HEIs in Counterpart MOEs
INTERNATIONALIZATION DIRECTIONS

- Develop a resilient internationalization engagement
- Build relevant opportunities for faculty and students towards cross-border mobility and internationalization of higher education
- Redesign the institution’s capability in escalating memberships in alliances and networks
- Expand TAU’s internationalization engagement in conceptualizing innovative programs intended to sustain and strengthen its existing linkages
- Establish a global representative network in carving TAU’s name in the international academic map
- Develop competent ‘glocal’ graduates in addressing the current demands of the world labor market through an internationalized and industry-based curriculum

INTERNATIONALIZATION DIMENSIONS

INTERNATIONALIZATION ENGAGEMENT
